# Gold Star Mothers & the Burbank Veterans Council

- The Gold Star Mothers and the Burbank Veterans Council were the first groups in Burbank to bring the names of the Burbank Men who gave their lives for the cause of Freedom to the public.
- They started the Memorial Rose Garden at Glenoaks Park now Mc Cambridge Park.

Memorial Rose Garden Dedication January 9 1950

The Rose Garden was relocated to the corner of Mc Cambridge park  
Where a monument was erected featuring plaques to honor all Burbank  
Soldiers who lost their Lives With a central Obelisk with an Eternal  
Flame at the top.

Also at the Mc Cambridge Memorial area is a monument commemorating the visit by The Vietnam Moving Wall, a scale replica of the Memorial in Washington DC that travels around the country. The Moving Wall was in the park for many days in February 1998 and was open to visitors 24 hours a day and manned by members of the Veterans Commemorative Committee and volunteers from the public. This monument honors that event in our City.

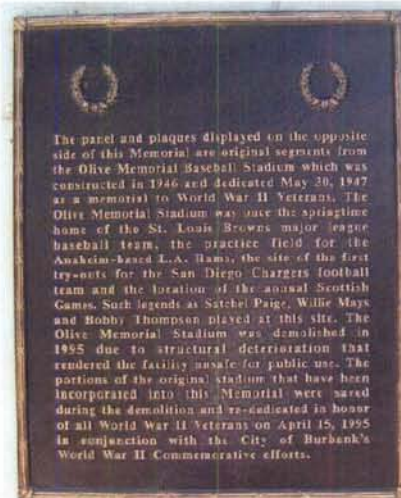

This Monument rests just north of the main War Memorial at Mc Cambridge Park

### Detail on face of Memorial

Burbank and the Veterans Commemorative Committee maintain other Veterans Memorials at other Parks. At the Olive Recreation center there Once stood a Memorial Baseball Stadium. On the back of the stadium was a large concrete dedication and several plaques. The stadium was a large concrete dedication and several plaques. The stadium needed to be removed due to earthquake damage. The committee had these items removed, cleaned, restored and mounted in a small rose garden close to the street for all to view.

In 2010 the Veterans Commemorative Committee Renamed and Dedicated Pacific Park to Larry L Maxam Park as a memorial to Burbanks Medal of Honor Recipient From the Vietnam War.

DELBERT BEN CARR  
852 BOMB SQUADRON

THE SECRETARY OF THE NAVY  
WASHINGTON

The President of the United States takes pleasure in presenting the **NAVY AND MARINE CORPS MEDAL** posthumously to

**LIEUTENANT JOHN A. PRITCHARD, JR.**  
UNITED STATES COAST GUARD

For service as set forth in the following

**CITATION:**

"For heroic conduct while serving aboard the U.S.C.G.C. **MOOREHEAD** during the rescue on November 28, 1942, of three members of the Royal Canadian Air Force stranded on the Greenland Ice Cap for thirteen days. Endeavoring to land a rescue party from the ship, Lieutenant Pritchard proceeded with his men by water launch on the fringe of heavy ice, close aboard the glacier outlet to the bay end. Fully aware of the ever-present danger of calving Amersfort Glaciers, landed on the shore. Accompanied by his men, he fearlessly worked his way up a mountain-side to the glacier and established contact with the stranded airmen by lights and voices. Realizing that speed was imperative, he and his party pressed on, crossing several hundred yards of heavily crevassed areas after dark in order to reach the stranded fliers, and finally succeeded in bringing them safely to the ship. Lieutenant Pritchard's intelligent planning, fearless leadership and great personal valor aided materially in the gallant rescue of the stranded men and were in keeping with the highest traditions of the United States Naval Service."

The President of the United States takes pleasure in presenting the **DISTINGUISHED FLYING CROSS** to

**LIEUTENANT JOHN A. PRITCHARD, JR.**  
UNITED STATES COAST GUARD

for service as set forth in the following

**CITATION:**

"For heroic and extraordinary achievement while participating in aerial flights as pilot of a plane which rescued Army fliers stranded on the Greenland Ice Cap on November 28, and 29, 1942. Knowing full well the dangers involved in landing on, and taking off from, the ice in a heavily loaded plane, and the probable consequences in case of failure, Lieutenant Pritchard started in his plane from Comanche Bay, East Greenland, and proceeded to the Ice Cap on which the Army fliers were stranded. Upon reaching the vicinity of the marooned airmen, he maneuvered his plane to a safe landing on the Ice Cap, took aboard two of the injured men and, with superb airmanship, successfully took off for his ship, arriving safely. The following day, he again volunteered to resume rescue operations for the remaining Army fliers and reached them without mishap. After getting one more of the men on board, he again took off successfully and started for his ship, but failed to return. By his courage, skill and fearless devotion to duty, Lieutenant Pritchard upheld the highest traditions of the United States Naval Service."

The President of the United States takes pride in presenting the Distinguished Service Cross (Posthumously) to Jack R. Peres (0-416707), Second Lieutenant (Air Corps), U.S. Army Air Forces, for extraordinary heroism in connection with military operations against an armed enemy while serving as Pilot of a P-40 Fighter Airplane in the 33d Pursuit Squadron (Provisional), 8th Pursuit Group, FAR EAST Air Force, in aerial combat against enemy forces on 19 February 1942, during an air mission near Darwin, Northern Territory, Australia. Second Lieutenant Peres was Pilot of one of a flight of ten pursuit airplanes forced by unfavorable weather to turn back from a ferry flight from Darwin, Northern Territory, Australia to Koepang, Timor, Netherlands East Indies. When the flight arrived at Darwin, and before refueling could be effected, information of the approach of an enemy formation was received. When the approaching enemy, consisting of approximately sixty high-level bombers, thirty- six fighters and eighteen dive-bombers was intercepted, Lieutenant Peres, in spite of the tremendous odds, courageously attacked the enemy formation, inflicting heavy damage, and continued the attack until his airplane was shot down. Second Lieutenant Peres' unquestionable valor in aerial combat, at the cost of his life, is in keeping with the highest traditions of the military service and reflects great credit upon himself, the Far East Air Force, and the United States Army Air Forces.

The President of the United States of America takes pride in presenting the Navy Cross (Posthumously) to Second Lieutenant Eugene P. Madole (MCSN: 0-7013), United States Marine Corps (Reserve), for extraordinary heroism and distinguished service in the line of his profession while serving as a Pilot in Marine Fighting Squadron TWO HUNDRED TWENTY-ONE (VMF-221), Marine Air Group TWENTY-TWO (MAG-22), Naval Air Station, Midway, during operations of the U.S. Naval and Marine Forces against the invading Japanese Fleet during the Battle of Midway on 4 June 1942. Delivering a dauntless and aggressive attack against a vastly superior number of Japanese bomber and fighter planes, Second Lieutenant Madole aided in disrupting the plans of the enemy and lessening the effectiveness of their attack, thereby contributing materially to the success of our forces. As a result of his courageous and daring tactics and because of the circumstances attendant upon this engagement, there can be little doubt that Second Lieutenant Madole gallantly gave up his life in the service of his country. He displayed the characteristics of an excellent airman in keeping with the highest traditions of the United States Naval Service.

## Local Youth Loses Life In Pacific

BURBANK — Nineteen-year-old Seaman First Class Bernard Paul Walmsley, a graduate of Burbank High school met a hero's death "somewhere at sea" while serving as a gunner on a merchant vessel, according to word sent his parents last week by the Navy Department.

The son of Mr. and Mrs. J. F. Walmsley, 1707 N. Landis st., young Walmsley was drowned. He would have been 20 last May 7, and had been at sea only a short time. A graduate of the high school in June, 1941, he was employed by Disney Studios prior to enlisting last November, 1942. The Walmsleys were residents here four years. The youth leaves his parents, a half sister, a half brother, Joseph F. Walmsley, at 1711 Landis street. Requiem mass was held.
